Providing more than a decade's experience supporting Members of Congress and heads of practice at a national law firm, Erica Woodward handles all aspects of The Conafay Group's client management and administrative operations.

Trusted, discrete, and detail-focused, Ms. Woodward coordinates client fly-ins and outreach to Capitol Hill, along with planning and executing internal and external events. Interfacing directly with clients, she often acts as a liaison with federal contacts. In addition, Ms. Woodward oversees The Conafay Group's federal lobbying disclosures and compliance.

Prior to joining The Conafay Group, Ms. Woodward was a member of the federal government affairs and public policy practice for Manatt, Phelps, and Phillips, LLP. Prior to Manatt, she served for nearly a decade on Capitol Hill, where she maintains strong bipartisan congressional relationships. During her tenure as senior aide to two dynamic Congressmen in the California delegation, Ms. Woodward worked with the House Agriculture, Rules, Natural Resources, and Foreign Affairs Committees as well as with the Blue Dog and Congressional Hispanic Caucuses.

Ms. Woodward is a graduate of Centre College in Kentucky, with a Bachelors of Arts degree in International Relations focused on Latin American and African studies.
